Vets Center Housing and Resource Fair

The Vets Center Housing and Resource Fair has been a beacon of support for veterans since 2010. Our mission is to bring all routes to housing for veterans, and we've been making a significant impact. Over the years, we've served more than 2,000 veterans at each event, highlighting Homeownership Month and providing vital resources for housing and homeownership.

Vets Christmas Celebration

Our Vets Christmas Celebration is a heartwarming annual event that embodies the spirit of giving. In collaboration with Toys for Tots and Toys "R" Us, we distribute 5,000 toys to children in need. But it's more than just toys; we offer resources for housing, banking, insurance, and more to support veterans and their families during the holiday season.

Halloween Spooktacular

Our Halloween Spooktacular is an eagerly awaited annual event that promises spooktacular fun for the whole family. From zombie laser tag and game trucks to costume contests and free candy, we create a safe and enjoyable environment for all. This event also features a haunted house and the stage play "Blacktacular." Plus, we go the extra mile by offering mortgage assistance of up to \$50k to help families secure their homes.

Thanksgiving Fest

Thanksgiving Fest is our way of ensuring that every family has a joyous Thanksgiving celebration. We provide mortgage assistance of up to \$50k, free turkeys, and food boxes to those in need. Our event also includes resources for parents and grandparents, a game truck for the kids, games and prizes, live performances, and appearances by special guests. We believe that everyone should have a reason to be thankful during the holiday season, and we're here to make that happen.

These events not only showcase our commitment to veterans and their families but also highlight our dedication to building strong, supportive communities. Each event is a testament to our mission of providing housing counseling, foreclosure prevention, financial literacy, and pathways to homeownership.
